

NEWSLETTER.

JUNE 2012.

BRITISH LEGION JUBILEE CELEBRATIONS.

May I thank all members that were able to take part in helping the Burnham On Sea branch of the British Legion by displaying their bikes. We have been invited back again next year to their open day, but next year they have agreed to having a motorbike or two out the front advising people that there are more motorbikes at the back. Plus they are going to advertise the fact that we will be there in the local papers,

STEAM RAILWAY TRIP.

I have contacted the West Somerset and Dart Valley railways. The West Somerset Railway quoted me £17 per person return with a group discount of 10% and the Dart Valley Quoted £10 per person after discount. If anyone is interested in doing either of these please let me know so we can work out a date and which one we want to go on.

4 COUNTIES AIR AMBULANCE RUN.

I wish to apologise to everyone that were hoping to take part in this event, but after last year a decision had to be made on the Saturday. As it turned out I think the right decision was made, as we would have ridden into the rain.

POSTERS.

There are posters available for The Chepstow Run, The Mystery Run and The 4 Counties Air Ambulance Run, on 10th, could all members please take 1 & put them up.

RADIOS.

The hands free trial was not a success, as there was too much wind interference in a full face helmet, plus the ear piece was very uncomfortable to have in the ear after a short period of time. The company I'm dealing with is now looking at a slim line hands free kit, which they are trialing this coming week with 4 couriers around Manchester. They are also trialing a

standard wired version with a microphone that can be tucked inside the helmet with Velcro.

I apologise for the delay in this matter but as members have contributed to this I want to make sure we are getting the right equipment for us, and not wasting money, they have given us the option to trial the different options ourselves but that would mean waiting for them to come through the post, trial them and if they're not right, sending them back, and then the same with the next ones, not only does all this take time but we would incur postage charges for the group.

ISLE OF WIGHT TRIP.

Is anyone interested in going to the Isle Of Wight next year on May the 10th. If so please can you let me have names tonight.

The price for next year will be £107.00, which includes travel insurance. All that will be extra on top will be your ferry crossing.

Anyone wishing to take part, this is open to anyone over the age of 21 please can you let me have your deposit of £25 as soon as possible.

I am also in negotiations with Warner to go to Hayling Island in 2014, as members have asked to go somewhere different.

SUPPORTERS GROUP.

I hope all members will spread the word, and try and get more to join.

If you have any questions about this please feel free to ask me.
